What would you do if you found out your husband was unfaithful? Divorce him? Take him back? Kill him?

---

Kelly Ross Monroe is having a blissful Saturday; she started the day with a manicure and pedicure, met her girlfriend for lunch and spent the afternoon shopping. As she heads home, she decides a little dinner al fresco with her husband, Mark, will be the perfect end to a perfect day.

Except nothing can prepare her for the shock of finding evidence of her husband's illicit affair. Stunned by his betrayal, Kelly can only concentrate on getting Mark out of her house. . .

The last thing she expects is to stab him to death.

In a panic, Kelly flees and after one restless night on the run, she decides to turn herself in and accept the consequences of her actions. However, a chance phone call reveals that infidelity was the least of Mark's transgressions.

As Kelly embarks on a frantic mission to untangle the mystery surrounding her husband, dogged police detective, Bill Hanson is hot on her trail. As he closes in, Kelly finds herself face-to-face with the most dangerous adversary of all. . .

**SWEET LITTLE LIES is tense, fast-paced crime thriller full of twists and turns that will keep you on the edge of your seat. . .**
